Title: GENETICALLY ALTERED HUMAN
PLURIPOTENT STEM CELLS

CORRECTED CLAIM AMENDMENTS

Commissioner for Patents
Alexandria VA 22313

Dear Sir,

This paper is responsive to the Office Communication of October 19, 2005 ("Communication"), which stated that the Amendment Accompanying Request for Continued Examination filed July 21, 2005 ("July 21st Amendment") was non-compliant under 37 C.F.R. 1.121. One month was provided for correction. Thus, this paper is timely filed.

The Communication stated that the "amendments to the claims do not reflect changes from the most recent claims set (submitted in the After-final amendment, dated 5/13/05)." Submission of a corrected section was required. Thus, this paper provides a corrected Claim Amendments section that reflects the changes submitted in the May 13, 2005 Amendment. The Communication noted no other defect in the July 21st Amendment.
